Objectives

- To promote and discover artistic expressions from new and renowned creators.
- To foster public appreciation of art.
- To use art to connect diverse cultures.
- To employ art as a means of peace and progress.
- To offer collectors a variety of high-quality art.
- To give galleries visibility.
- To promote mental health through art.

The Doral International Art Fair (DIAF), launched in 2023, offers a quality artistic platform that annually brings together artists, gallery owners, curators, critics, collectors, and art lovers to promote multiculturalism and social dialogue.

Furthermore, with an educational program on various topics, the DIAF reinforces Doral's commitment to culture and artistic education, supported by government and private institutions.

This event is an integrative space for families, businesses, and the community, standing out as a platform to highlight multiculturalism and promote art, fostering reflection on art in society.

Access to the DIAF is free.

Those interested can reserve their tickets through the platform <https://ticketplate.com>
